

Essentials of Disaster Life Support (EDLS) Course

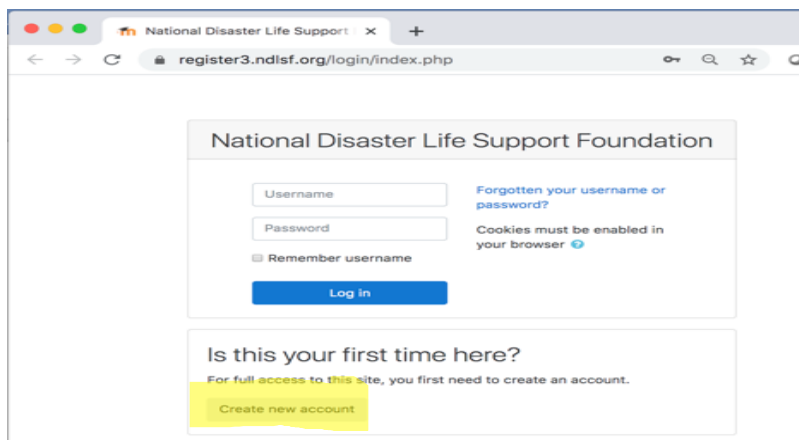

This is a closed course for the current and future health and readiness workforce across Region 4 (Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina and Tennessee), sponsored by the Southern Regional Disaster Response System (SRDRS) through ASPR funding.

You must have prior approval to obtain the required enrollment key. Please contact info@ndlsf.org, being sure to provide the following information in the body of your email request:

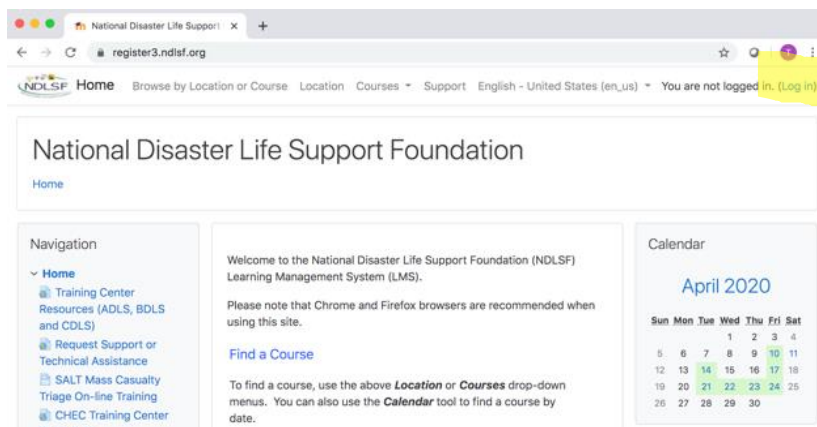

Name:
Email:
Organization:
City & State:
Position or Student Status:

Important: The EDLS course materials work best when using **Firefox** or Google **Chrome** Browsers. **Do not use Safari.**

1. The following link will take you directly to the registration page for “EDLS SRDRS Region 4” on the NDLSF Learning Management System: <https://register3.ndlsf.org/course/view.php?id=3241>
2. If this is your first time taking a NDLS course, you will first need to create a “new account”.

3. After registering, an email containing a link to confirm your user account will be sent to you. You will be logged in automatically when you follow the link. Upon subsequent visits to the site, you can follow the “Log in” in the top right corner of <https://register3.ndlsf.org/>

4. Enter enrollment key provided and click “Enroll me”.

5. You are now enrolled and can follow the instructions for completion within the EDLS Course. You will complete a 30 question Pre-Test, 18 individual Learning Modules, and a Post-Test. You can then print your EDLS certificate.

****We would greatly value your comments via the course evaluation upon completion.**

If you have any technical difficulty whatsoever, please click “support” at the top of the page to report it, and the NDLS Program Offices will work to answer your questions as soon as possible. Thank you!
